Certified Pool & Spa Operator Certification: March 19-20, April 16-17, May 14-15 — 8:30 am – 5:00 pm

A CPO is required in Allegheny County and recommended for all commercial facilities. Topics include Disease and Accident Prevention, Water Chemistry, Water Testing, Filtration, Circulation, Regulations, Hot Water Care, Chemical Dosing, Maintenance, and Operational Problems. Certification requires *full attendance* and an exam score of 75%. State issued photo ID is required for testing. Fee includes Class, Text Book, Exam and 5-year Certification. A blended format class (8 hours online + attendance on the second day) is also an option. A Spanish version of the CPO Handbook is available; please contact us prior to registering.

On the 2nd day, you may test for the **Allegheny County Bathing Place Manager** certification (required to operate a commercial pool in Allegheny County). The Allegheny County Health Department will present Article IX and administer a short quiz. An application and payment to Allegheny County is required after passing both tests. Our CPO classes can also earn you PA **Pesticide** Applicator education **credits**.

Pesticide Certification (Closed Book) Exams & Review Session: April 23, May 7 — 8:30 am - 4:00 pm

Certification as a commercial or public pesticide applicator (Category 24) is required to apply pesticides (e.g., chlorine, bromine, and algaecide) to swimming pools/spas (single-family residences excluded) in PA. **This is a review session; advance self-study is required.** We conduct a 4-hour review of Core and Category 24 material followed by the PA Department of Agriculture administering **TWO (50 question) CLOSED-BOOK EXAMS**. State issued photo ID is required. Fee includes Text Books, Review, Core and Category 24 exams, and lunch. Certification is valid for 3 years with an annual license fee & continuing education credits. *This class does not provide continuing education credits; a class for credits will be offered in September.*

CANCELLATION POLICY: You may request, in writing, to cancel your registration up to two weeks prior to your class start date and receive a refund less a materials fee of \$100 CPO 2-Day, \$150 CPO Fusion, \$150 Pesticide. You may request, in writing, to send a substitute registrant at any time for the CPO. Substitution within two weeks of the Pesticide exam requires approval by the PA Department of Agriculture. You may request to transfer to a future class with payment of a \$60 change fee, provided the request is received in writing no later than 48 hours before the start of class. There are no refunds, cancellations or transfers permitted within 48 hours of the class start.

Please **PRINT** the form below legibly and completely and **submit with payment** at least 2 weeks in advance. We cannot invoice for certification classes. Early registration is recommended due to capacity constraints.
